Shedding the Winter, Stepping into Purpose

St. Paul's Spring Newsletter

April 2026

Leaving the winter behind

It has been a long winter, but spring brings a season of renewal.

Like shedding grave clothes for new life, we look forward to the sunshine, longer days, and a renewed spiritual energy to pursue our calling.

Introducing the new Equipping Ministry

Strengthen relationships and grow in faith together within St. Paul's.

Intentionally welcome new members into the congregation.

Discern how we can reach out, serve, and bless the broader community.

Where is God calling us to be His hands and feet?

Salvation Army Food Bank

Demand for food support has **doubled** in recent years as national food insecurity impacts our local area.

The Lunch Bunch

Feeding **270 children** weekly during the school year. Partnering with The Food Project to cover the summer gap.

Main Street, Ingersoll

St. Paul's has a physical presence on main street. We must make this presence matter, walking beside struggling families so they know they are not alone.

God uses each of us to do His work

Every amazing project starts with the dream of one person inspired by God. He may be giving you insights into His vision for St. Paul's right now.

Reach out to Pastor Al or the team to share your gifts, ideas, or to join the ministry.

The Relationships Ministry Team: Ewan MacKintosh, Nancy Matthews, Kathy Smit.

Step Forward in Stewardship

While February givings increased, March fell behind. To focus fully on God's mission in Ingersoll without the distraction of an operating deficit, we must bridge this gap.

We prayerfully encourage everyone to do what you can to support our budget.

Eliminating the Deficit Together

How small weekly adjustments from our 66 regular givers make a massive annual impact.
